Our musical heritage is a proud one! Since 2003, our ever-growing chorus of over sixty talented voices has produced concerts featuring classical, patriotic, religious, contemporary, Broadway and cinema music. Our members are volunteers who perform for the love of music and community.

Our organizational and creative leadership is local. We strive to use musicians and artists from East Lincoln County making this truly a community organization. The Chorus is open without audition to all singers.

ELCC serves to provide a cultural arts program for citizens of all ages. The best part is that **our performances are absolutely FREE!** We survive and thrive based on the generosity of music lovers and patrons like YOU!
